

Gifting the Grammar School

Since the inception of Geraldton Grammar School, we have provided our students with a life-long learning adventure, extending their creativity, encouraging them in their academic pursuits and leading them to foster their individuality.

It is our aim to continue to grow this adventure for today's students and future generations and with this in mind, we are introducing an annual giving program - Gifting the Grammar School.

This annual giving program will be the cornerstone of Geraldton Grammar School's future philanthropic initiatives. It will also raise capital for school projects and infrastructure.

There are four distinct areas of focus for the program, all of which touch the lives of many students and their families and will help build upon Geraldton Grammar School's proud and unique origins. These include:

-  Scholarship Fund
-  Building Fund
-  International Service Fund
-  Library Fund

A gift, no matter how large or small, helps to provide the best in facilities and education for current and future generations of students. All gifts made to the annual appeal are tax-deductible, so please give generously.

Gifting the Grammar School

Nurturing current and future generations
at Geraldton Grammar School

Building Fund

Tax deductible donations will build new facilities and enhance existing ones to ensure our students enjoy the best possible environment.

Gifts received in the short-term will be directed to the main oval improvements project and will assist with improvements to the school canteen. Constructing new buildings such as the school gymnasium will benefit greatly from the Gifting Program in the long term.

Scholarship Fund

The School is endeavouring to create a tradition of philanthropy within the community by offering scholarships to students. Three scholarships will be offered through the program: Academic, Sports and Music. Tax deductible donations will support a wide range of scholarships including:

- The Board of Governors Scholarships
- The General Excellence Scholarships (for students who would otherwise not be afforded a Grammar School education)

There is still a substantial gap between what we can offer to students and their actual need. A gift from you towards scholarships would enable more students from a wide range of backgrounds to receive a Grammar School education. This opportunity would change the life journey for a number of students and provide a richer educational and social environment for our current students.

International Service Fund

Would you like to support the purchase of health and educational requirements of our sister school in Nepal, or support other international service programs?

Tax deductible donations will continue to ensure Geraldton Grammar School's support of these important daily requirements we take for granted.

Library Fund

Our library is a fantastic asset at Geraldton Grammar School. Supporting the purchase of a variety of important resources for the school library would ensure the future success of this important facility.

To support Geraldton Grammar School, please give generously and donate here:

Here is my/our tax deductible gift of:

\$100 \$250 \$500 \$1,000

Other \$ _____

This is a: one-off gift monthly gift
